Chairperson's Report – The World Drumming Music Class is going very well. Children, adults, and seniors are attending. We are keeping a sign in sheet which the DPR staff person keeps as well

Community feedback

There is a great deal of concern from the community that the rec center needs more upkeep and beautification; members did a walk-through of the grounds; Let's make use of the upper level grounds for a community vegetable garden; grants will be needed; supply lists will have to be developed; it will require many volunteers to build, transport the soil, etc; Let's get the kids involved as well – they can paint the boxes

We need to develop more activities for the seniors

More fundraising ideas- after to complete these projects let's develop an annual fund raiser

Next Meeting is Wednesday April 4th, 2012 7 pm; Next Cleanup is this Saturday March 3rd 11:30 am at the rec center
